Learning Points

Simple Past Tense and Past Continuous Tense

You use the Simple Past tense to talk about events that are finished.

You use the Past Continuous to talk about events or an action that was happening at a time in the past.

Simple Past tense verbs can be regular or irregular.

Regular verbs end in *-ed* or *-ied*.

Irregular verbs change in different ways.

For questions in the past, you use the auxiliary *did* followed by the verb in the base form, like *Did you ask...?*

Did is the past form of *to do*.

For Past Continuous, we add *was/were* + verb *-ing* to verbs.

Some verbs need a change to the last letter to add *-ing*.

Present	Past	Past Continuous
do	did	was/were doing
carry	carried	was/were carrying
pay	paid	was/were paying
travel	traveled	was/were traveling
rip	ripped	was/were ripped
have	had	was/were having

Examples:

- *I did so much shopping when I was traveling in Europe.*
- *They were talking when he ripped his jacket.*
